

2024 IACC Conference – Registration instructions

Like in year's past, AWC is handling our registration process, so we've included some tips that should help you navigate the process. We hope that this extra information will assist you in getting properly registered.

When you click this link: [IACC Conference 2024](#) you will be taken to an AWC page with information about the IACC Conference 2024. There will be a yellow "Login to Register" button on the right side of the page.

For exhibit registration, click this link: [IACC Conference 2024- Exhibit Registration](#) (registration instructions will be the same as for the individual registrations).

To register

Once you click the "Register" button", you will be prompted to log in with your AWC user name and password. Once logged in, follow the prompts to register yourself or another person from your organization.

If you did this last year, but don't recall your username or password, just follow the prompts to retrieve your username and/or to set a new password.

If this is your first time registering for the conference, you can sign up to create a new user profile by clicking "Sign up".

AWC Home Page / Login

Welcome to AWC's website

You will be prompted to create a username/password and to enter your organization's name. If your organization is in the AWC data base the name will appear in a drop down. The list is populated with all cities, towns, most state agencies, etc., but does not have all districts, private companies, and others in it. If your organization does NOT show up in the dropdown box, you must contact awctechsupport@awcnet.org with your company name, address, and phone number. You will be able to continue with your registration AFTER your company is added to the AWC database.

FAQ's

Can I pay with a credit card?

If you pay with a credit card, your billing address for the card **must** match your address in the registration process. If it does not, add a new address that matches, otherwise your payment will be declined. You also have the option to ask for invoice billing.

Will I receive a confirmation of my registration?

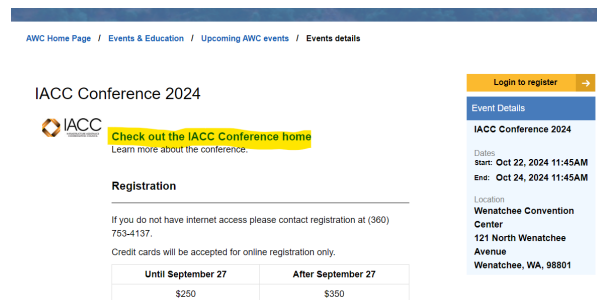

You will be able to email the registration confirmation to your email account or to multiple email accounts.

AWC staff is committed to helping you with any outstanding issues...just call or email if you have registration issues.

Troubleshooting

If at any time during the registration process you are redirected back to the AWC home page, click on the Events & Education tab to go to "Upcoming AWC events" page. You can then scroll to find the IACC Conference registration link.

To get back to the IACC Conference home page, you can click on the link provided on the registration main page: (highlighted)

AWC Home Page / Events & Education / Upcoming AWC events / Events details
